## THE ADIRONDACKS PREMIER GLAMPING EXPERIENCE

Located just five minutes from Great Lake Sacandaga—touted as the "Adirondack Mountains' Best Kept Secret"—Glampful is a family-owned, 50-acre glamping destination designed for nature lovers and adventure seekers. Explore a landscape of meadows, Adirondack wildflowers, spring-fed creeks, mature forest trails, a beaver pond, and a bird sanctuary.

Stay in safari-style tents and a luxury lodge that blend rustic charm with modern comforts. Enjoy local adventures like live rodeos, sunflower fields, outdoor movies, blueberry picking, breweries, distilleries, and antique shopping. Experience stargazing under clear skies at Stargazing Hill.

Glampful offers a blend of outdoor adventure and modern comfort in the heart of the Adirondacks. Our safari-style tents and rustic-luxe lodge provide a cozy escape without sacrificing the beauty of nature. From plush beds and private decks to stunning forest views, Glampful is the perfect destination for couples, families, and groups looking for a unique getaway.

Every detail is designed to create a connection between guests, and indoor and outdoor living. Whether you're enjoying coffee on the deck or gathering around the campfire, Glampful is about connecting with nature in comfort.

## VISION & MISSION | FOUNDER'S BIO

At Glampful, our mission is to provide a sanctuary where guests can reconnect with nature, themselves, and each other. We believe in creating unforgettable experiences that blend nature with modern comforts, all while fostering connections and appreciation for the beauty of the Adirondacks.

We are committed to sustainable practices, responsible tourism, and the preservation of the land we love. Our goal is to offer more than just a getaway; we aim to create memories that inspire a lifelong connection.

### Founder's Bio

Elina and Cody LeClaire, alongside co-founders Nathan and Keisha Cavanna, founded Glampful with a shared passion for nature and hospitality. During the pandemic, Cody and Elina, together with their friends, the Cavannas, decided to create a glamping destination, as a respite for people to connect and retreat into the outdoors without sacrificing comfort. Their boutique approach ensures a warm, inviting experience, setting Glampful apart from larger, commercial sites.
